# Heydon Hatcher

## Web Developer

### Technical Skills:

Languages: JavaScript  
Frameworks & Libraries: React, Express.js  
DevOps: Git  
Databases: PostgreSQL, MySQL

I am a dynamic detail-oriented professional, offering a versatile skill set including website creation/administration, database management, social media prowess, strong written and verbal communication, and graphic design panache. I am an intrinsically motivated collaborator, resourcefully independent yet gifted with interpersonal skills. I relish opportunities to travel, take photographs, and interact with a diverse cross-section of people.
